

Card No.	Card Name	Question	Answer
BSS02-001	Dragno King	My opponent blocks my attacking spirit with a soul core on it and both spirits are destroyed because their BP are the same. Can I use the LV2-LV3 effect on Dragno King to destroy a spirit with 6000 or fewer BP at this time?	Yes, you can.
BSS02-005	Ten Sword Saint Starblade Dragon	I control a LV2 Ten Sword Saint Starblade Dragon and use the effect on a BSS01-101 Volcanic Canyon to draw two cards and discard one during my draw step. Can I then use the LV2-LV3 effect on Ten Sword Saint Starblade Dragon to destroy one of my opponent's spirits with 3000 or fewer BP?	No, you cannot. The LV1-LV2 effect on Volcanic Canyon does not make you draw a card. It only increases the number of cards drawn during your draw step.
BSS02-009	Dragoon Commander Diraidalos	Does a Dragoon Commander Diraidalos that has become LV3 due to its LV1-LV2-LV3 effect still remain as a LV3 spirit even if it has no cores on it?	No. If Dragoon Commander Diraidalos has insufficient cores for LV1, it is destroyed as usual.
BSS02-009	Dragoon Commander Diraidalos	If I treat my Dragoon Commander Diraidalos spirit as having two red symbols and it is not blocked by one of my opponent's spirits when attacking, can I reduce their life by two?	Yes, you can.
BSS02-009	Dragoon Commander Diraidalos	Does the LV1-LV2-LV3 effect on my Dragoon Commander Diraidalos activate when one of my opponent's spirits is destroyed by either one of my spirits that costs 7 or more or one of my magic cards that costs 7 or more?	Yes, that is correct. (The 7-or-more cost condition applies to both spirits and magic.)
BSS02-010	Armorsaur Edmontsaurd	My attacking spirit with a soul core on it is blocked and both spirits are destroyed because their BP are the same. Can I use the effect on Armorsaur Edmontsaurd at this time to draw a card?	Yes, you can.
BSS02-012	King Vulture	If I attack with King Vulture, will it retain its <b>【Confront】</b> effect even if my opponent's spirit with a "When Summoned" effect leaves the field during one of the flash windows?	No. The <b>【Confront】</b> effect is lost.
BSS02-016	Rage Dragon Emperor Ira	Do I have to include my own spirits when attempting to select ten spirits for the "When Summoned" effect on Rage Dragon Emperor Ira?	Yes. You must select and destroy ten spirits from the total pool of both your spirits and your opponent's spirits.
BSS02-016	Rage Dragon Emperor Ira	Can I destroy one of my opponent's nexuses using the LV3 effect on Rage Dragon Emperor Ira even when its own "When Summoned" effect destroys one of my opponent's spirits?	Yes, you can.
BSS02-020	Void Ogre Emperor Avaritia	When my opponent is selecting a spirit for the "When This Spirit Attacks" effect on Void Ogre Emperor Avaritia, can they select a BSS01-073 Head Icemaid Fulla?	Yes, they can. However, no cores are removed since the effect is prevented from doing so.
BSS02-020	Void Ogre Emperor Avaritia	If the "When This Spirit Attacks" effect on Void Ogre Emperor Avaritia removes all the cores from a spirit, is that spirit destroyed?	Yes, it is.
BSS02-022	Floating Grave White Whale	When I select three of my opponent's spirits as a result of the "When This Spirit Attacks" effect on Floating Grave White Whale, do I remove all but one core from one spirit along with all of the cores from the other two spirits and place those cores into my opponent's reserve?	No. Leave one core on each of the spirits and place all of the other cores into their reserve.
BSS02-022	Floating Grave White Whale	If the effect on Floating Grave White Whale removes all of the cores from a spirit, is that spirit destroyed?	Yes, it is.
BSS02-023	Corpse Giant Gigasha	If the spirit selected by the "When This Spirit Attacks" effect on Corpse Giant Gigasha later gains more cores using <b>【Awaken】</b> so that it no longer has only one core, will it then be able to block?	No. It remains unable to block.

BSS02-024	Gravedigger Skeleton	Do I pay the summoning cost for spirits summoned from the trash when using the effect on Gravedigger Skeleton?	Yes, you do.
BSS02-027	Imperial Knight God Avalo Paladion	If the effect on Imperial Knight God Avalo Paladion removes all of the cores from a spirit, is that spirit destroyed?	Yes, it is.
BSS02-027	Imperial Knight God Avalo Paladion	If one of my spirits was destroyed after all of its cores were removed to pay a cost and none of my other spirits were destroyed this turn, can I use the effect on a LV3 Imperial Knight God Avalo Paladion I control to draw a card during my end step?	No, you cannot.
BSS02-028	Dark Knight Lamorak	If I return a destroyed spirit from my trash to my hand using the effect on Dark Knight Lamorakan, can I use other effects that activate "When Destroyed"?	Yes, you can.
BSS02-028	Dark Knight Lamorak	After paying a cost, one of my purple spirits is left with no cores on it and it becomes the first spirit to be destroyed during my turn. If I control a LV2 Dark Knight Lamorak, can I use its effect to return that destroyed spirit card from my trash to my hand?	No, you cannot. Destruction effects do not activate when a spirit is self-destroyed.
BSS02-028	Dark Knight Lamorak	The first destruction of one of my purple spirits during my turn occurs when one of them is destroyed to pay a cost. If my LV2 Dark Knight Lamorak is destroyed in battle later that turn, can I return it to my hand from my trash using its own effect?	No, you cannot. One of your spirits has already been destroyed this turn while paying a cost, so the Dark Knight Lamorak is not the first spirit to be destroyed.
BSS02-028	Dark Knight Lamorak	Can I even use the effect on Dark Knight Lamorak to return itself from my trash to my hand when it is destroyed?	Yes, you can.
BSS02-028	Dark Knight Lamorak	When two of my spirits are destroyed simultaneously and could both be considered the first to be destroyed that turn, which one do I return to my hand?	Choose whichever spirit you would prefer.
BSS02-028	Dark Knight Lamorak	If a spirit loses all of its cores due to the effect on Dark Knight Lamorak, is that spirit destroyed?	Yes, it is.
BSS02-031	Divine Saturn Dragon Chronos-Boros	When your opponent selects a spirit while resolving the effect on Divine Saturn Dragon Chronos-Boros, can they choose to select a BSS01-073 Head Icemaid Fulla?	Yes, they can. However, no cores are removed since the effect is prevented from doing so.
BSS02-031	Divine Saturn Dragon Chronos-Boros	If the effect on Divine Saturn Dragon Chronos-Boros removes all of the cores from a spirit, is that spirit destroyed?	Yes, it is.
BSS02-035	Ripper Princess Azalea	When I summon this card from the trash, can my opponent activate a burst effect with the condition [Burst: When Opponent Resolves a Spirit's "When Summoned" Effect]?	No, they cannot, since the "When Summoned" effect does not activate when it is summoned from the trash.
BSS02-039	Trickster Machine God Loki	When selecting a Mecha spirit to return to my hand for the LV3 effect on Trickster Machine God Loki, can I select Trickster Machine God Loki itself?	Yes, you can. Since the spirit returns to your hand it does not refresh.
BSS02-040	Winged Godmech Grand Woden	What is the meaning of "they must discard a card as an additional cost"?	When your opponent is going to use a magic card, they must discard a card from their hand or else they cannot use the magic card.

BSS02-040	Winged Godmech Grand Woden	Can I use a magic card if I only have one card in my hand and my opponent has a Winged Godmech Grand Woden on the field?	No, you cannot.
BSS02-040	Winged Godmech Grand Woden	Must I pay the additional cost when activating a magic card set as a burst card?	No. Paying the additional cost is only necessary when you use a magic card from your hand.
BSS02-040	Winged Godmech Grand Woden	Does the additional cost increase to discarding two cards if there are two Winged Godmech Grand Wodens on the field?	Yes, it increases to two cards.
BSS02-040	Winged Godmech Grand Woden	I have a Winged Godmech Grand Woden on my field and my opponent has a BSS01-076 Archangel Michaela on theirs. If my opponent uses the effect on Archangel Michaela in order to use a magic card without paying its cost, must they still discard a card as an additional cost due to the effect on Winged Godmech Grand Woden?	Yes, they must discard a card as an additional cost.
BSS02-040	Winged Godmech Grand Woden	When Winged Godmech Grand Woden refreshes during my refresh step, will it gain 4000 BP from its own LV3 effect?	Yes, it will.
BSS02-042	Gunsmith Mime	Does the "When Summoned" effect on Gunsmith Mime still summon a token if I only have one core total on my field and in my reserve?	Yes, it does. Gunsmith Mime will end up with zero cores on it and be destroyed.
BSS02-044	Merged Mechlord Mammoth Aegis	Can I return one of my opponent's spirits that costs 5 or fewer to their hand using the LV2 effect on Merged Mechlord Mammoth Aegis even after exhausting it in order to block?	Yes, you can.
BSS02-045	Blizzaster Eagle	What is the meaning of "this spirit cannot be destroyed by your opponent's destruction effects"?	Blizzaster Eagle is not affected by effects which instruct you to "destroy" it, even if selected. It will be destroyed if it loses all of its cores or BP, as usual.
BSS02-046	Lion Machine God Superbia	What happens to Lion Machine God Superbia's "When Summoned" effect if it is destroyed by the end of that turn?	Nothing happens, as there is nowhere to place the cores.
BSS02-054	Ice Goddess Frig	When this spirit is on the field and someone draws outside of the draw step, is it just the player that draws cards who must pay cores?	Yes, that is correct.
BSS02-054	Ice Goddess Frig	Do I have to pay two cores while drawing two cards using the main effect on BSS01-118 Starblessed Draw when there is an Ice Goddess Frig on the field?	Yes, you must pay one core for each card you draw.
BSS02-054	Ice Goddess Frig	When there are two Ice Goddess Frigs on the field, do I have to pay two cores for each card drawn?	Yes, that is correct.
BSS02-054	Ice Goddess Frig	Is there any situation where I would not have to pay the additional cost while drawing a card outside of my draw step when an Ice Goddess Frig is on the field.	No. You must always pay the cost.
BSS02-054	Ice Goddess Frig	What happens if Ice Goddess Frig is on the field and I have insufficient cores to pay the additional cost while drawing cards outside of my draw step?	You pay as many cores as you are able to, then only draw that number of cards.

BSS02-054	Ice Goddess Frig	If Ice Goddess Frig is on the field and I draw cards outside of my draw step, can I choose to not draw cards so I don't have to pay cores?	No, you cannot. If you have cores available, you must pay the cost.
BSS02-058	Heavenly Gate Guardian Clavis	Does a spirit that has become LV1 due to the effect on Heavenly Gate Guardian Clavis remain LV1 if it loses all of its cores?	No. A spirit with zero cores is destroyed as usual.
BSS02-059	Fallen Angel Acedia	Does a spirit that has become LV1 due to the effect on Fallen Angel Acedia remain LV1 if it loses all of its cores?	No. A spirit with zero cores is destroyed as usual.
BSS02-063	Light Emperor Lumiere	If a spirit with <b>[Blessed]</b> in its card text gains <b>[Blessed]</b> from the effect on Light Emperor Lumiere, can I place two cores from the void into my life when that spirit reduces my opponent's life?	No, only one core. Spirits cannot simultaneously possess two instances of the <b>[Blessed]</b> effect.
BSS02-064	Arcana Princess Anne	If two of my Otherlander spirits are destroyed simultaneously during the turn when the "When Summoned" effect on Arcana Princess Anne is activated, does the 1000 BP reduction effect activate two times?	No. The effect only activates one time.
BSS02-064	Arcana Princess Anne	What happens to a spirit if its BP becomes zero?	Spirits with zero or fewer BP are destroyed.
BSS02-065	Arcana Joker	When I activate another Otherlander spirit's "When Summoned" effect using the effect on Arcana Joker, can my opponent then activate a burst which reads [Burst: When Opponent Resolves a Spirit's "When Summoned" Effect]?	Yes, they can.
BSS02-065	Arcana Joker	When activating another Otherlander spirit's "When Summoned" effect using the effect on Arcana Joker, can I use a LV2 "When Summoned" effect if that spirit is only LV1?	No, you cannot.
BSS02-066	Arcana Beast Queen	What happens to a spirit if its BP becomes zero?	Spirits with zero or fewer BP are destroyed.
BSS02-068	Air Brigade Captain Raphael	When one of my spirits is destroyed and its cores are placed into my reserve, is one of my opponent's spirits treated as LV1 due to the effect on Air Brigade Captain Raphael?	Yes, it is.
BSS02-068	Air Brigade Captain Raphael	When my life is reduced and those cores are placed into my reserve, is one of my opponent's spirits treated as LV1 due to the effect on Air Brigade Captain Raphael?	Yes, it is.
BSS02-068	Air Brigade Captain Raphael	What happens to a spirit if its BP becomes zero?	Spirits with zero or fewer BP are destroyed.
BSS02-068	Air Brigade Captain Raphael	Does a spirit that has become LV1 due to the effect on Air Brigade Captain Raphael remain LV1 if it loses all of its cores?	No. A spirit with zero cores is destroyed as usual.
BSS02-076	Toy Hero Musashi	When the "When Destroyed By Opponent" effect on Toy Hero Musashi observes the costs of my spirits, can it observe itself?	No, it cannot. Toy Hero Musashi is not on the field when the effect is being resolved.

BSS02-077	Eternal Phoenix Tokiwa	If Eternal Phoenix Tokiwa already has two or fewer cores on it when resolving its LV3 effect, can I still refresh it?	No, you cannot. You must remove at least one core and place it into the reserve so that Eternal Phoenix Tokiwa has exactly three cores left in order to use the LV3 effect to refresh it.
BSS02-078	Onyxbird Yatagloss	My Onyxbird Yatagloss with seven cores on it attacks and then has a core placed onto it from the void by its "When This Spirit Attacks" effect, making it LV3. Does its LV3 effect activate at this time?	Yes, it does.
BSS02-079	Shryke	What happens to a spirit if its BP becomes zero?	Spirits with zero or fewer BP are destroyed.
BSS02-082	Queen Antraine	Does the "When Summoned" effect on Queen Antraine still summon tokens if I only have one core total on my field and in my reserve?	Yes, one token is summoned. Queen Antraine will end up with zero cores on it and be destroyed, and the second token will not be summoned since there are insufficient cores.
BSS02-082	Queen Antraine	When my LV2 Queen Antraine is destroyed, can I still exhaust one of my opponent's spirits?	Yes, you can.
BSS02-083	Antman General	Does the LV1-LV2 "When Summoned" effect on Antman General still summon a token if I only have one core total on my field and in my reserve?	Yes, it does. Antman General will end up with zero cores on it and be destroyed.
BSS02-087	Armortree Deity Herak Dynas	Do spirits which are summoned using 【Swift】 gained from the effect on Armortree Deity Herak Dynas still possess 【Swift】 while they are on the field?	No, they do not. Only spirit cards in your hand gain 【Swift】 from this effect.
BSS02-093	Daimyo Beast Yaiba-no-Kami	What happens to spirits whose LV1 BP has become 4000 due to the LV2-LV3 effect on Daimyo Beast Yaiba-no-Kami when the flash effect on BSS02-135 Stamina Recovery is used on them?	Their BP becomes 6000. The effect on Daimyo Beast Yaiba-no-Kami does not fix their BP at 4000.
BSS02-096	Loyal Retainer Higumaru	Can my opponent select exhausted spirits when resolving the effect on Loyal Retainer Higumaru?	Yes, they can. Any refreshed spirits among those selected are then exhausted.
BSS02-102	Flame Crystal	If I attack my opponent's spirit with a soul core on it using the effect on Flame Crystal and that soul core is removed by a simultaneously activated "When Attacking" effect, is the spirit's block canceled?	No, it is not canceled. After the effect enabling the spirit to be attacked resolves, the block remains valid even if the soul core is removed.
BSS02-103	Dreadrock Fortress	If a spirit loses all of its cores due to the effect on Dreadrock Fortress, is that spirit destroyed?	Yes, it is.
BSS02-104	Impaler Forest	If a spirit loses all of its cores due to the effect on Impaler Forest, is that spirit destroyed?	Yes, it is.
BSS02-105	Monstrous Mausoleum	Does 【Armor: Purple】 protect against the LV1-LV2 "During Your Attack Step" effect on Monstrous Mausoleum?	No, it does not. This effect does not rely on selection.
BSS02-106	Farflung Land	When my opponent summons a LV1 spirit which would possess a "When Summoned" effect at LV2, can I place a core from the void onto my Farflung Land using its effect?	No, you cannot.

BSS02-107	Giant Beast Forest	When my opponent uses the main effect on a BSS01-118 Starblesed Draw to increase their hand by two cards during their main step, can my spirits gain 2000 BP from the LV2 effect on Giant Beast Forest?	No. They only gain 1000 BP. Even if the opponent's hand increases by two or more cards at one time, the effect only activates once.
BSS02-109	Ticking Floral Clock	Does a spirit that has become LV1 due to the effect on Ticking Floral Clock remain LV1 if it loses all of its cores?	No. A spirit with insufficient cores for LV1 is destroyed as usual.
BSS02-110	Secret Flower Garden	Can I use the effect on Secret Flower Garden to place a core from the void into my life even when the nexus itself is destroyed?	Yes, you can.
BSS02-111	Harpy Nest Palace	Does <b>[Armor: Yellow]</b> protect against the LV1-LV2 "During Your Attack Step" effect on Harpy Nest Palace?	No, it does not. This effect does not rely on selection.
BSS02-111	Harpy Nest Palace	When one of my spirits is destroyed and its cores are placed into my reserve, can I use the effect on Harpy Nest Palace to place cores onto my spirits?	Yes, you can.
BSS02-111	Harpy Nest Palace	When my life is reduced and those cores are placed into my reserve, can I use the effect on Harpy Nest Palace to place cores onto my spirits?	Yes, you can.
BSS02-111	Harpy Nest Palace	Does a spirit that has become LV1 due to the effect on Harpy Nest Palace remain LV1 if it loses all of its cores?	No. A spirit with insufficient cores for LV1 is destroyed as usual.
BSS02-113	Greattree Gate	I attack and my opponent blocks, and both spirits are destroyed since their BP are equal. At this time, can I use the effect on Greattree Gate to place a core from the void onto it?	Yes, you can.
BSS02-114	Infinite Ant Undercity	If I summon two token spirits simultaneously, can I place two cores from my trash into my reserve?	No. You only place one core.
BSS02-115	Giantwood Castle Keep	My spirit with a soul core on it blocks my opponent's attack, and both spirits are destroyed since their BP are equal. At this time, can I use the effect on Giantwood Castle Keep to select one of my spirits and refresh it?	Yes, you can.
BSS02-115	Giantwood Castle Keep	Can my opponent activate a "When Destroyed By Opponent" effect when I have a LV2 Giantwood Castle Keep on the field?	No, they cannot. "When Destroyed" and "When Destroyed By Opponent" effects on their spirits, and effects that activate when one of their spirits is destroyed, are prevented from activating.
BSS02-115	Giantwood Castle Keep	I have a LV2 Giantwood Castle Keep on the field. Can my opponent activate the effect of their BSS01-114 Blessed Cathedral when one of their yellow spirits is destroyed during either attack step?	Yes, they can. Only "When Destroyed" effects, "When Destroyed By Opponent" effects, and effects that activate when one of their spirits is destroyed which are on spirits are prevented from activating.
BSS02-115	Giantwood Castle Keep	I have a LV2 Giantwood Castle Keep on the field. Can my opponent activate the <b>[Immortal]</b> effect of their BSS01-039 Beldegor of the Dark World Seven in their trash when one of their other spirits that costs 4 or 5 is destroyed during either attack step?	Yes, they can. Giantwood Castle Keep prevents the effects of spirits on the field from activating; it does not prevent the effects of spirit cards in the trash from activating.
BSS02-116	Nexus Hazard	When I want to use a Nexus Hazard and all I have on my field are three BSS01-010 Oviraptodons, can I pay 2 to use it after reducing its cost by 6?	Yes, you can pay 2 to use it.

BSS02-119	Dragon Rush	Later in the turn after using the main effect on Dragon Rush I attack with a Dragonoid spirit which is blocked by my opponent and both spirits are destroyed since their BP are equal. At this time, does the effect on Dragon Rush let me draw a card?	Yes, it does.
BSS02-120	Reanimate	Does the burst effect on Reanimate let me return a purple spirit card from my trash that was not among the three discarded cards?	No. The purple spirit card returned to your hand must be one of the three discarded cards.
BSS02-121	The Hanged Man	Does the "When This Spirit Attacks" effect still activate if a spirit no longer has sufficient cores for that effect's level after cores are removed by the effect on The Hanged Man?	Yes, it does. Once the attack is declared, the effect is activated and waiting to be resolved, regardless if the number of cores on the spirit later becomes insufficient for that effect's level.
BSS02-121	The Hanged Man	If a spirit loses all of its cores due to the effect on The Hanged Man, is that spirit destroyed?	Yes, it is.
BSS02-122	Assassinate	If I have a spirit with [Armor: Purple] on my field when my opponent uses the main effect on Assassinate, do I have to select one of my other spirits?	Yes. Select a spirit without [Armor: Purple]. If all of your spirits have [Armor: Purple], do not select any.
BSS02-124	Reboot Code	When spirits gain a "When This Spirit Blocks" effect from the burst effect on Reboot Code, how long does it last?	They have it for the duration of the turn in which the burst effect activated.
BSS02-126	Infinity Shield	What is the meaning of "can block while exhausted"?	A spirit selected by the effect on Infinity Shield can be declared as a blocker any number of times while exhausted.
BSS02-127	Inescapable Avalanche	Does [Armor: White] protect against the effect on Inescapable Avalanche?	No, it does not. This effect does not rely on selection.
BSS02-128	The Three Cards	If I raise a nexus to LV2 after the main effect on The Three Cards is activated, can its LV2 effect be activated?	No, it cannot. Nexuses affected by the effect on The Three Cards cannot regain any effects.
BSS02-128	The Three Cards	Are effects on nexuses placed after activation of the main effect on The Three Cards prevented from activating?	No, they may be activated. Only nexuses on the field at the time the main effect on The Three Cards activates lose their effects.
BSS02-130	Magic Mirror	When my opponent uses a magic card and the effect on Magic Mirror allows me to make a selection instead of them, and the magic card effect text states "Select one of your opponent's spirits," do I select one of my own spirits?	Yes, you select one of your own spirits. Select a target which conforms to the conditions described in the magic effect.
BSS02-130	Magic Mirror	If my opponent uses a BSS01-122 Deadly Balance after I have used Magic Mirror, do I select both of the spirits to be destroyed?	Yes, you do. You select one of your spirits, then you select one of your opponent's spirits.
BSS02-130	Magic Mirror	When my opponent uses a BSS01-125 Core Theft after I have used Magic Mirror, does my opponent discard cards after I have selected a spirit?	Yes, that is correct. After you select a spirit, your opponent can discard as many cards as they like.
BSS02-132	The Ants Strike Back	How does token summoning in the main effect on The Ants Strike Back resolve if I only have one core total on my field and in my reserve?	Only one token is summoned. The second token is not summoned since there are insufficient cores.

BSS02-133	Thorn Prison	Does <b>[Armor: Green]</b> protect against the effect on Thorn Prison?	Yes, it does. Select spirits without <b>[Armor: Green]</b> to exhaust.
BSS02-134	Carry Core	When using the effect on Carry Core to place cores from the void onto my spirits, can I place a core on a spirit that currently has no effect at LV1 but does have an effect at LV2?	No, you cannot.

Card Effects	Question	Answer
Card Effects【Swift】	What kind of effect is 【Swift】?	Spirit cards with the 【Swift】 effect may be summoned from your hand during flash windows. However, when using this effect, cores used to pay summoning costs and cores placed onto the summoned spirits must come from your reserve.
Card Effects【Gale】	What kind of effect is 【Gale】?	When your attacking spirit with 【Gale】 is blocked by an opponent's spirit, your opponent selects the specified number of refreshed spirits they control and exhausts them.
Card Effects【Gale】	Where is the specified number written?	In the 【Gale:1】 keyword effect, the specified number follows the colon. In this instance, one spirit is indicated.
Card Effects【Gale】	Does 【Armor: Green】 protect against the 【Gale】 effect?	Yes, it does. Spirits with 【Armor: Green】 cannot be selected to be exhausted.
Card EffectsTokens	What are tokens?	Tokens are spirits created by effects on cards and are not included in your deck. (They are held in reserve elsewhere until they are needed.)
Card EffectsTokens	Can I include token cards in my deck?	No. Your deck must not contain any token cards.
Card EffectsTokens	What happens to tokens when they leave the field?	When a token leaves the field it is removed from the game. At this time, effects and bursts which activate when spirits are destroyed will activate as usual.
Card EffectsTokens	What kinds of objects can be used as tokens?	We recommend you use official token cards when possible. If you don't have official token cards, you can use any other objects as substitutes as long as you can place cores onto them and you can tell whether they are refreshed or exhausted by looking at them.
Card EffectsTokens	If I will be using tokens, do I need to declare that fact to my opponent before the start of our game?	No. Your opponent does not need to be told about your use of tokens before the game starts.
Matching Cards With Differing Names	For cards that have the same card number but different card names, can I put four copies of each into my deck for a total of eight copies?	No. You may only put up to a total of four of those cards in your deck.
Matching Cards With Differing Names	Are cards with the same card number but differing card names still treated as the same card?	Yes, they are.
