Card No.	Card Name	Question	Answer
ST01-002	Galaxy Dragon Andrometeos	Can I pay 4 to summon an ST01-001 Nebula Dragon Andromeda when all I have on my field is this spirit?	Yes, you can.
ST01-007	Blade Dino Parasaur	If I pay this spirit's soul core and it becomes LV1, can I still draw a card?	Yes, you can.
ST01-009	Dragron Trooper	I attack with a LV1 Dragron Trooper and my opponent uses ST04-016 Drowsy Fumes during a flash window to reduce its BP by 2000. Will it be destroyed at the end of the battle when its BP becomes zero?	Yes, it is destroyed when its BP becomes zero.
ST01-012	Scorched Battlefield	Can I draw two cards when I reduce my opponent's life using a spirit with two symbols?	No, you cannot. It is still a single reduction, so you only draw one card.
ST01-013	Star Altar	If two spirits are destroyed simultaneously and one has my soul core on it, can I use the effect on this nexus to place all of the cores from the spirit with the soul core along with all of the cores from the spirit without the soul core onto the selected spirit?	No, you cannot.
ST01-014	Charged Draw	Can I use the flash effect on this card to cause one of my opponent's spirits to gain 2000 BP?	Yes, you can.
ST01-016	Fire Wall	Can a LV2 ST01-009 Dragron Trooper attack while the flash effect on this card is active?	No, it cannot. Spirits with 4000 or fewer BP before attack declaration cannot attack.
