

Card No.	Card Name	Question	Answer
ST02-001	Dark King Snake Pendocles	If the effect on this spirit causes a spirit to have zero cores, is that spirit destroyed?	Yes, it is.
ST02-003	Segro Snake	I attack with this spirit while it has a soul core on it and my opponent blocks using a spirit with two cores on it. During the flash window after blocking, the number of cores on the blocking spirit is reduced to one using ST02-014 Poison Shot. In this situation, is the block treated as if it did not occur?	No, the block remains valid. Since the block has been established, the battle continues to comparing BP even if the cores on the blocking spirit are reduced to one following block declaration.
ST02-004	Mummirra	If the effect on this spirit causes a spirit to have zero cores, is that spirit destroyed?	Yes, it is.
ST02-011	Stray Soul	If the effect on this spirit causes a spirit to have zero cores, is that spirit destroyed?	Yes, it is.
ST02-012	Dark Grail	When placing this nexus, can I place one core from one of my opponent's spirits into their reserve if that spirit has one core and one soul core on it?	Yes, you can. In this situation, the spirit's owner decides which of the two cores to place into their reserve.
ST02-013	Purple Smoke Valley	I control an ST02-013 Purple Smoke Valley and attack using a spirit with 【Curse】, and my opponent blocks using a spirit with two cores on it. During the flash window that follows, I use ST02-014 Poison Shot to select the blocking spirit and remove one core from it. In this situation, is the block treated as if it did not occur?	No. The block has already been established, so the battle advances to comparing BP regardless if the number of cores on the blocker becomes one following block declaration.
ST02-013	Purple Smoke Valley	If I attack with a LV1 spirit which gains 【Curse】 at LV2, will the effect on this nexus prevent my opponent from blocking using spirits with only one core on them?	No, it will not. The spirit does not possess 【Curse】 until it reaches LV2, so the effect on the nexus does not activate.
ST02-014	Poison Shot	If the effect on this magic card causes a spirit to have zero cores, is that spirit destroyed?	Yes, it is.
ST02-015	Core Drain	If the effect on this magic card causes a spirit to have zero cores, is that spirit destroyed?	Yes, it is.
ST02-016	Bloody Rain	Can a spirit with only one core on it attack while the burst effect on this card is active?	Yes, it can. In that situation, after one core is placed into the reserve, the attacking spirit has insufficient cores for LV1 and it is destroyed.
ST02-016	Bloody Rain	If a spirit with 【Armor: Purple】 attacks while the burst effect on this card is active, must one core still be placed into the reserve?	Yes, one core must be placed into the reserve. The effect on ST02-016 Bloody Rain does not involve a selection.
